

CARIBBEAN FESTIVAL

HALF DAY EXCURSION / TRANSFER FROM PUJ

The perfect excursion for lovers of culture and marine life

Join us to enjoy the coast of Bávaro aboard a boat full of entertainment. Fantastic boat tour, with which we go to the snorkeling area where we will observe a great variety of corals and tropical fish.

The second stop is our aquarium, which is divided by two pools; In one of them we will snorkel with nurse sharks and in the other, we will participate in an interaction program with manta rays.

At the end of the snorkeling and interaction, once on the boat, the bar opens with alcoholic and non-alcoholic beverages and then gives way to the folkloric presentation of the Dominican carnival.
