

EL FIESTON (ISLA CATALINA)

The perfect excursion for lovers of the sea, sports and fun

After a tour by air-conditioned bus from the hotel passing by the beach of Bayahibe, an old fishing village, we embark on a spacious catamaran making a short walk in front of the Casa de Campo coastline and we sail towards the fabulous CATALINA ISLAND. Within this trip and on the island, they will be able to enjoy activities such as banana boat, mega wing, Creole fishing, snorkeling, dances, and even a representation of our typical Dominican Carnival.

On the island, our clients will enjoy a delicious Dominican buffet: white rice, red beans, green salad (lettuce, tomato, cabbage, cucumber), vegetable salad, garlic chicken, seafood tray (prawns, mussels, squid, shrimp and grouper fillets), pasta with sauce, assorted fruits, coffee and traditional drinks. Burgers included on the boat.
