

## IMAGINE

NIGHT EXCURSION / TRANSFER FROM PUJ  
*The perfect excursion for party and night lovers*

It is the trendy nightclub in Punta Cana, to which everyone will spend at least one night. It is a natural cave, which gives a unique frame to the site. The same cave has formed different environments that the nightclub has taken advantage of to set up three rooms where different music is spent; electronic music and hip hop; 80' pop music; Latin music and more; which ensures that every public finds a place!
