

PARASAILING POWER ADVENTURE

HALF-DAY EXCURSION / TRANSFER FROM PUJ

A day full of emotions and adventures with four different activities on the same tour: Snorkeling, diving, parasailing and catamaran party, an incomparable combination for your holidays in Punta Cana.

Combine many adventures in half a day and live an unforgettable experience. Experience the sky and the sea to the fullest with this excursion where you can get to know the coast of Bavaro in a way like no other.

Do some snorkeling and diving in beautiful reef formations and discover the wonders of the underwater world. Then conquer the skies with parasailing, an activity that will elevate you above the sea and sand, allowing you to have the best panoramic view of the coast.

To conclude the day, enjoy a fun catamaran party. Everything you need for the best day of your vacation.

Includes:

Snorkeling, diving and parasailing equipment, boat ride along the coast, fruits, drinks and air-conditioned round trip transportation.
