

## PARQUE MANATI & BAÑO CON DELFINES

HALF-DAY EXCURSION / TRANSFER FROM PUJ

*The perfect excursion for theme park and dolphin lovers*

Manatí Park is the only park where we can have contact with the flora and fauna typical of the Caribbean. We will see parrots, snakes, sea lions, monkeys, even an iguanario, and if that were not enough, we will appreciate a show of horses, parrots, a recreation of Taino culture, among others. In it, we will see a sample of the utensils used by the ancient inhabitants of the island for hunting, fishing and cooking.
