

## SAMANA AEREO

FULL DAY EXCURSION / TRANSFER FROM PUJ

*The perfect excursion for lovers of heights and nature in its purest form*

Every nature lover's dream will come true! We depart by plane from Punta Cana airport to Samana. The tour continues through thick vegetation until we reach a Batey (humble village), where we visited a typical house to taste coffee and cocoa. Then continue the journey to a ranch located in the municipality of Limón, where the horse that will lead us to the Salto del Limón awaits us. There we enjoyed a nice bath and then returned to the ranch to taste an exquisite buffet lunch. Later, we visited the villages of La Colonia and Juana Vicenta, after which we reach the Bay of Samaná, one of the most interesting places in the Dominican Republic for its natural beauty. Here we board a speedboat towards Cayo Levantado, an island of white sand and crystal clear water.
