

ZIPLINE ADVENTURE

HALF-DAY EXCURSION / TRANSFER FROM PUJ

The perfect excursion for lovers of risky sport

The adventure will take us flying from platform to platform over Anamuya; ancient Taino mountain with a privileged view of the lush tropical vegetation. After just 45 minutes of road in Safari Jeeps, expert guides will show us everything related to equipment and the tour.

The tour consists of 11 platforms and 10 lines extended between the mountains, with a distance of 1 mile. Safety is essential; for that reason, we'll be fixed to the wires with a mountaineering team.

At the end of the tour, tropical juices will be served and we will have time to buy the souvenirs of this unique and special adventure. Unforgettable!
